

# ASSOCIATION OF EUROPEAN CANCER LEAGUES (ECL)

[www.cancer.eu](http://www.cancer.eu)

Founded in 1980, based in Brussels

29 members in 24 countries in WHO European region, representing over 600 million citizens

Members are non-profit NGOs operating across the entire cancer continuum – information, prevention, early dx, screening, research, treatment, patient support and more.

Cancer Leagues are the main resource for the public for cancer control information & services

Vision: “Europe free of cancer”

Funding mainly from European Commission and membership fees

Co-funded by  
the Health Programme  
of the European Union
