

integrated care alliance

Call for Action

United towards Integrated Care

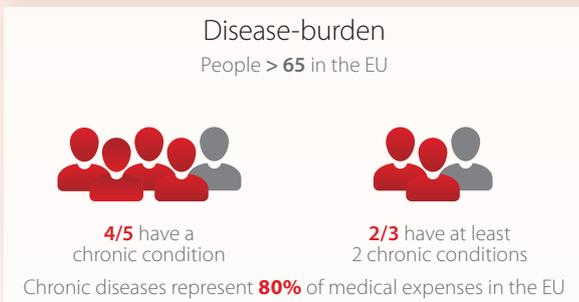

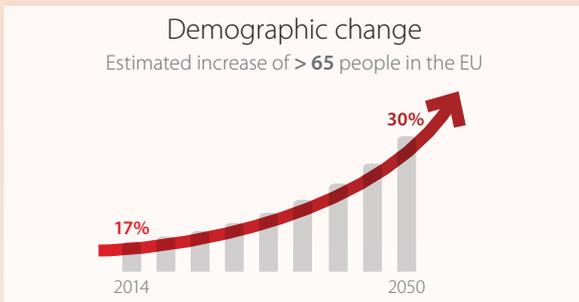

With the support of MEP Michal Boni and in cooperation with

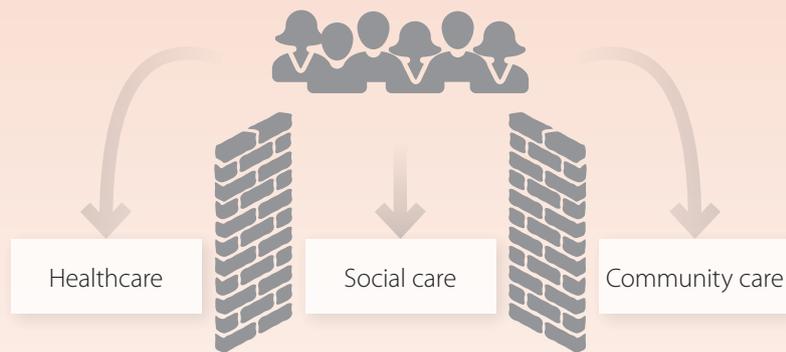

European Innovation Partnership on Active and Healthy Ageing

Today's reality...

... clashes with current siloed health systems

Resulting in **negative impact**

Unsustainable healthcare systems

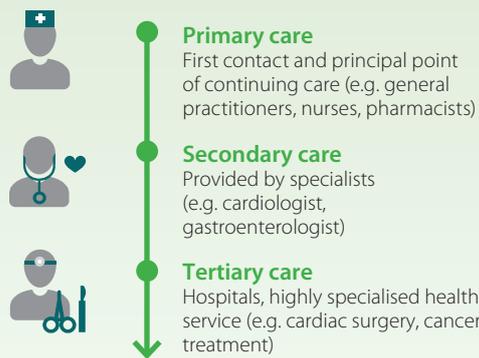

Unmet care needs

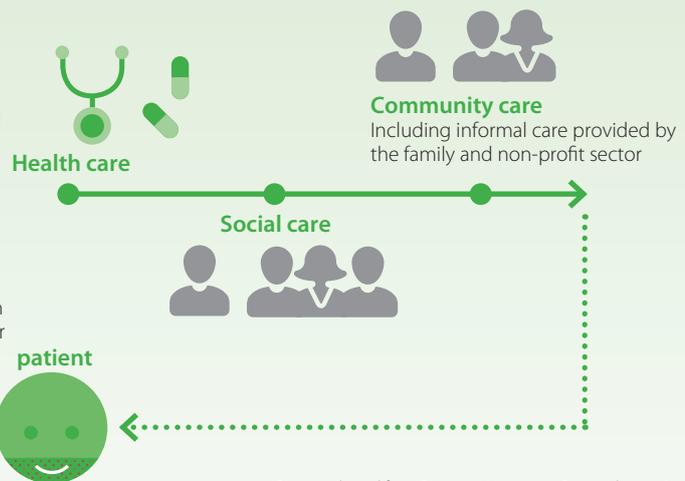

The solution: **integrated care**

Towards Coordination of Care

3 levels of health care

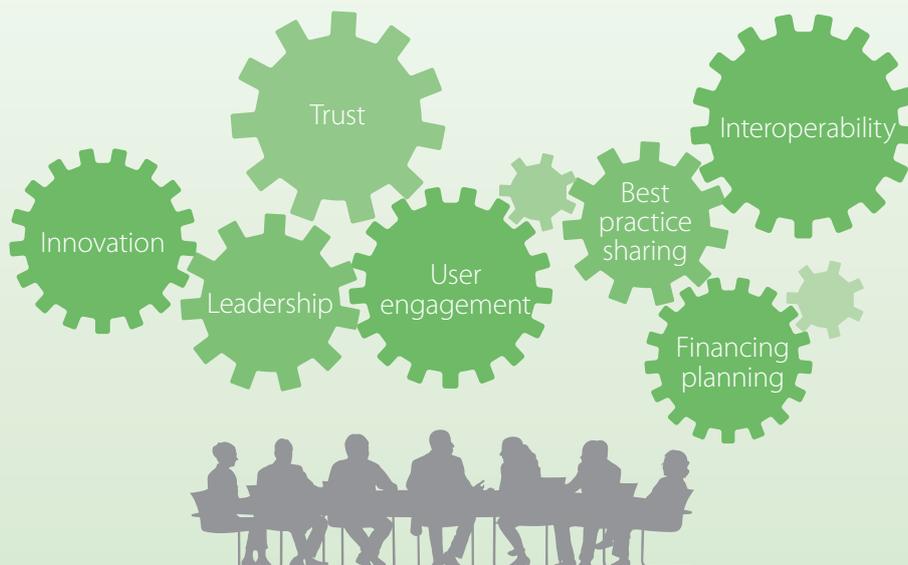

Care delivery pathway

Picture adapted from European Innovation Partnership on Active and Healthy Ageing

Act together **now!**

How?

1 Secure

political leadership and develop national and regional roadmaps

2 Develop

new care and economic models

3 Focus

on regional and local level

4 Encourage

partnerships across health & social ecosystems

5 Invest

to scale up successful integrated care projects

6 Establish

a framework for the deployment of interoperable solutions

7 Harmonise

implementation of Data Protection Framework

8 Train

and educate health & social care workforce

9 Build

strategies and frameworks at all levels to empower and involve patients, carers and citizens

10 Support

transition from research to widespread uptake
