1. Introducing COCIR
What does COCIR do?

COCIR is a non-profit trade association, founded in 1959, representing the medical technology industry in Europe.

COCIR covers 3 key industry sectors:
- Medical Imaging
- Electromedical
- Health ICT

Our Industry leads in state-of-art advanced technology and provides integrated solutions covering the complete care cycle.

With offices in Brussels and in China, COCIR promotes the use of advanced medical and ICT technology towards seamless care delivery and shared knowledge to build a better world with improved access to affordable, quality and safe healthcare.
